ABOUT

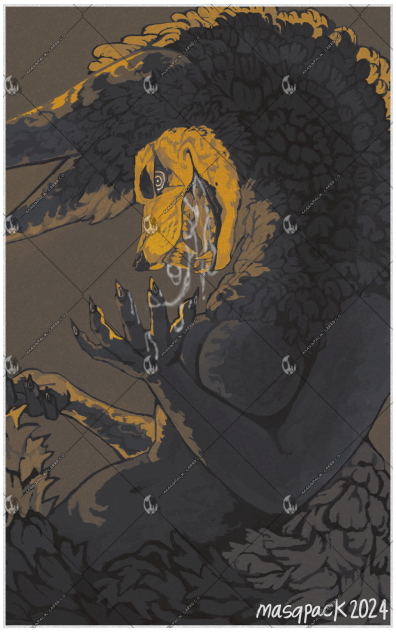

Pack is a multipassionate creative who produces illustrations, literature, music, fashion, and animation. They created masqpack in 2023, a pseudonym that encompasses their experience with Blackness, neurodivergence and disability. Recent contributions include *Le Beau Monde - A Nintendo Art Zine, Dogs for Flint,* and *YipYip! An Avatar Animals Fanzine.* Pack accepts art commissions on Artistree, and is currently most active on BlueSky or Discord.

All art is hand crafted on digital and/or traditional medium. Pack does not endorse or consent to the use of their creations in generative AI or NFTs.
