

Fall 2024 Clubs
Late Bus runs M/W/Th

Adult Leader	Name of Club	Description	Grade Levels	Max #	Location	M/W/Th?	Start+End dates
Brittany Hammond	K-4 Basketball	Are you interested in learning and / or practicing basketball basics? If so, join Coach Brittany and Coach Samantha at Basketball Club! We will work on dribbling, shooting, and defense all while playing fun games and jamming out to good tunes!	K-4	18	Gym	Thursdays	October-November
Brittany Hammond	Assistant Basketball Coaches for K-4	Are you interested in being Assistant Basketball Coaches? If so, please help Coach Brittany and Coach Samantha guide the K-4 ballers by running warmups, drills, and games! This is a great opportunity to get some movement in while also working on your leadership and communication skills.	7-8	6	Gym	Thursdays	October-November
Samantha Cantell	Board of Games	Calling all board game enthusiasts. Together we will create a Monopoly on all board games. In this Life we have Trouble performing Operation in the Dungeon Mayhem. We will be Masterminds, of Guessing Who, in control of the Battleship. Uno game to bring them all, and into the science	5-8	15	Science Room	Wednesdays	October - April

		room to bind them. While students are playing games, students will learn how to problem solve and resolve conflict at roll of a die.					
Tom Nolan	D&D + Games Club	In D&D and Games Club kids will learn and play board games and RPGs like Dungeons and Dragons. Kids will develop social skills and practice negotiations, math, and heroics- all essential skills to being awesome! No experience necessary, all 5-8 kids are welcome.	5-8	10	Nolan Classroom	Thursdays	October - April
Alison Perry	Walking Club	Students will walk and experience the trail loop for exercise and the calming effects of the bucolic South Hero environment year round.	5-8	12	Perry Classroom	Mondays & Wednesdays	All year
Sara Kirk	Game Club	We will play a variety of card, board, and dice games for fun and as an opportunity to practice social skills and academic (particularly math) skills.	3-4	10	TBD	Mondays	10/14 through 12/9
Caila Harte	Craft Club	Craft Club is a place for students to be creative, social and try new things! Explore activities like clay, sewing, painting, drawing, soap making, jewelry making, perler beads and more. Students practice executive functioning skills by choosing projects and planning	5-8	12	Harte room	Wednesdays	October-February

		the steps to complete them. They will also be representing abstract concepts through art.					
Natalie Kendrach	Hiking Club	Explore the different trails in South Hero in the K-4 Hiking Club. This club will transport the children to a different hiking trail each week, where we will explore the area and learn about the plants, animals and how to be stewards of the land. We will also learn about the health benefits of hiking. After our hike, we will meet families back at Folsom around 4:30/5:00. We are limited by the number of seats our individual cars can hold, so please reach out (nkendrach@gisu.org) if you are willing to help transport children (approved chaperone, proof of insurance and license required). NOTE: Requires parent written permission for car transportation	K-4	10-13	Hiking trails around South Hero	Mondays	10/14-12/16
Saunie Williams	Lego Club	Back by popular demand. I will be running the after school Lego club again this year. If your child likes building with Legos then this is the club for them. During the Lego club children will develop skills in creativity, flexible thinking, problem solving, social group expectations, sharing and fine motor coordination/	1-2	8	Library	Thursday	October-December

		strengthening. We will meet on Thursdays after school 3:00-4:00 until the December winter break. The club will be open for children in first and second grade. Maximum capacity will be 8 children.
