

Quick-Start Guide to Getting Involved with Delco PA Indivisible

Welcome to Delco PA Indivisible. We are a grassroots organization that is a part of the national [Indivisible Movement](#). We meet as a large group twice a month to guide and support each other as we resist the current administration's efforts to tear down our democracy.

In between the larger meetings, we get together in smaller groups to focus on specific issues such as health care, women's rights, education, the environment, immigration & refugees, and gerrymandering. We organize to write letters, make phone calls, talk with our state and national senators and congressional representatives, and join protest marches. You can get involved immediately by viewing and acting on our latest Calls to Action, found on our website.

We welcome you to join us in these efforts.
