

Exhibitor's table: \$660, which includes registration for one at the conference. If you plan to also attend sessions at the conference, you will need to also pay for membership fees. Tables are 6-feet in length, with two chairs, black table skirt, and trash can.

Graduate programs are encouraged to reserve a table as an exhibitor during the annual conference. The 6-foot table allows space to handout graduate program fliers, pins, cups, t-shirts, etc. Most importantly, you can attract some of the finest students to your graduate program using minimal output with the potential for maximum gain. Your group will have access to approximately 500-600 psychology students. Each year RMPA has approximately 1000 total attendees from an 8-state region (Montana to Arizona, Nevada to Colorado).

Exhibitors are allowed to begin setting up on Thursday morning of the convention. However, most do not really start setting up until noon because that's when the Teaching Pre-convention begins. Each exhibitor receives a 6-foot table. We have around 20 exhibitors each year. Please consider bringing your own table skirt/banner to place over the black table shirt provided. Two chairs are provided along with a trash can.

Electricity is not guaranteed without the payment of \$25 per day (3 x \$25 for a total of \$75). With that payment a power cord and electrical source are provided with guarantee.

Exhibitors are required to be fully packed-up by 5:00 p.m. Saturday.

To register go to our webpage (www.rockymountainpsych.org). Click on Convention then go to Sponsors & Exhibitors. Scroll down to Register as a Sponsor and click. Information about Sponsorship and being an Exhibitor is listed there. Click on the top of that page Register Now. You should be able to register and pay the required fee for being either an exhibitor and/or when selecting an event to sponsor.
