

Name \_\_\_\_\_

# What do you know about the character?

Draw a picture of the main character.

Then fill in the squares by answering the question inside.

The diagram consists of a central oval shape. Above the oval is a rectangular box labeled "Character's Name:". To the left of the oval is a rounded rectangular box containing the question "What does the character do?". To the right of the oval are two rounded rectangular boxes, one above the other, containing the questions "What does the character look like?" and "What is the character's personality?". Lines connect the top of the oval to the bottom of the "Character's Name:" box, and the left and right sides of the oval to the boxes containing the questions.

Character's Name:

What does the character do?

What does the character look like?

What is the character's personality?
