

## Warren Township Schools 2025/2026 School Lunch Program Information

### [Link to Order Breakfast and Lunch](#)

Warren Township Schools will be offering healthy and nutritious breakfast and lunch options to all students as a participant in the National School Lunch Program (NSLP). Students that qualify for a no cost breakfast and lunch will be offered breakfast and lunch daily.

The district has partnered once again with Mister's Food Service of South Plainfield, NJ to offer school breakfast and lunches to all students. Mister's will continue to commit to working with the district to offer the best food offerings possible. Families looking for more information on the food offered during breakfast and lunch such as nutrition standards or allergy information can contact Mister's directly at [mistersfoodservice@yahoo.com](mailto:mistersfoodservice@yahoo.com).

### Applying for a Daily No Cost Breakfast and Lunch

As a participant in the NSLP, all families are eligible to complete an application for no cost breakfast and lunch, which can be accessed in Genesis. All applications will be reviewed, and all families eligible for no cost breakfast and lunch will be notified of their eligibility. Any information regarding a family's no cost breakfast and lunch status is strictly confidential. Additional information is available by contacting Sally DeFelice at [sdefelice@warrentboe.org](mailto:sdefelice@warrentboe.org).

### [Ordering Breakfast and Lunch](#)

The district is also partnering with MyFoodDays of Warren, NJ to assist with breakfast and lunch ordering and payment. All families, including families eligible for no cost breakfast and lunch, must use the MyFoodDays ordering platform. All families can access the order platform by following this [link](#). Additional information or questions regarding the ordering platform can be directed to [thehumans@fooddays.com](mailto:thehumans@fooddays.com).

Breakfast and Lunch must be ordered two school days in advance of the school day for which breakfast and lunch is desired using the MyFoodDays ordering platform.
