

Career and Technical Education Career Pathway Worksheet

Select a career pathway within a career cluster that aligns with your interests and talents. Talk with your counselor and Career and College Manager about the recommended sequence of courses for a career pathway. Remember, your career pathway must include an upper-level course to fulfill the requirements for a CTE Concentrator Course of Study. Choose rigorous academic courses that complement your career pathway. Refer to the Career and Technical Education section of the registration book to complete this worksheet.

CAREER CLUSTER	9TH GRADE	10TH GRADE	11TH GRADE	12TH GRADE

For more information on Career Clusters, please contact the Career and College Manager or Counselor at your school.
