Daydreamer Chords - Adele

CHORDU=

[Verse]

A
Daydreamer
Sitting on the seat, soaking up the sun
D
He is a real lover
Making up his past and feeling up his girl
A
Like he's never felt a figure before
A
Jaw dropper
He looks good when he walks, he's the subject of the talk
D
He would be hard to chase
But good to catch, and he could change the world
With his hands behind his back, oh

[Chorus]

D7 **A/Ab**
You can find him sitting on your doorstep
D **A/Ab**
Waiting for a surprise
D **A/Ab**
And he will feel like he's been there for hours
E **A/Ab**
And you can tell that he'll be there for life

[Verse]

A
Daydreamer
With eyes that make you melt, he lends his coat for shelter
D
Plus he's there for you when he shouldn't be
But he stays all the same, waits for you
A
Then sees you through

A **D**
There's no way I could describe him
A **D** **A**
What I said is just what I'm hoping for

A [4 measures - let ring]

[Chorus]

D7 **A/Ab**
But I will find him sitting on my doorstep
D **A/Ab**
Waiting for a surprise
D **A/Ab**
And he will feel like he's been there for hours
E **A/Ab**
And I can tell that he'll be there for life
E **A**
And I can tell that he'll be there for life
