Community Garden Rules and Gardener's Responsibilities

Rules and regulations serve a purpose—to maintain a safe, clean, beautiful and friendly environment for community gardeners and the community at large. Guidelines have been established by the members of this garden and are listed in detail in the Oak Hill Community Garden Welcome Packet. Please read the guidelines and direct any questions or comments to the garden leaders. Each gardener must understand and agree to the rules and responsibilities outlined in the Welcome Packet before gardening with Oak Hill Community Garden.

By signing below, I agree that I have read and understand the Gardener Guidelines and plan to abide by all of the garden rules, and I understand that I will lose my gardening privileges in the community garden if I do not comply with these rules and regulations. I understand that neither the garden group nor owners of the land are responsible for my actions. I therefore agree to hold harmless the garden group and owners of the land for any liability, damage, loss or claim that occurs in connection with use of the garden by me or my guests.
