

What is the Purpose of this Application

The purpose of this application sheet is to see who would wanna play the character “Cheryl ‘Mama’ Westgrin.” Mama Westgrin is the Mother of Eddie Westgrin, my character who was made during the late HL2RP Squared. With Early Days approaching, and with Mama Westgrin being a major part of Ed’s life, especially during the first few years of the Combine’s rule, I thought it’d be fitting to actually have her be a character. Unfortunately I haven’t been able to find people to play her so I’m now reaching out for a person to bring this character to life.

Who is Mama Westgrin?

Cheryl “Mama” Westgrin is a black Minniesotan therapist born in the 60s and gave birth to Eddie in the 80s. She had a husband, Louis Westgrin, he was a cop and he went missing during the 7HW. She’s Forty something... And she’s a better therapist than she is a mom... for the most part. She’s fashionable, she’s less fat than Ed, that fat motherfucker nearing 300 pounds...

The rest of this is for you to figure out, how she treats Ed, how she acts, how she exists within her environment, all of that, for you to figure out and roleplay as. Regardless of who created this character, I don’t just want this character to be “Ed’s Mom” cause really, that’s stupid. I want her to be able to exist within the world, with her own backstory and own world view and her own goals, which can align or go against Ed’s.

If this interests you, then hey, here it is.
