

Minutes of the Meeting

Gurugram Progressive Schools' Council (GPSC) Meeting

Date: 23 May 2026

Venue: Blue Bells Model School, Sector-4, Gurugram

Time: 9:00 a.m. onwards

Members Present

The meeting was attended by the Chairperson, office bearers, Principals, and representatives of GPSC member schools.

Special Guest

Mr. Mikin Lala

CBSE Curriculum Committee Member for Computational Thinking & Artificial Intelligence and Founder, LogIQids.

Agenda

1. Welcome and Opening Remarks
2. Felicitation of the Resource Person
3. Lamp Lighting Ceremony
4. Cultural Presentation
5. Formal Welcome by Chairperson, GPSC
6. Briefing on GPSC XXIV Annual Convention 2026
7. Session on "Implementation of Computational Thinking and Artificial Intelligence"
8. Vote of Thanks

Proceedings

1. Welcome Address

The meeting commenced with a warm welcome to all delegates and dignitaries. The significance of GPSC as a collaborative platform for educational excellence, innovation, and professional development among member schools was highlighted. The contribution of the founding members in establishing and strengthening GPSC was duly acknowledged.

2. Felicitation of the Resource Person

Mr. Mikin Lala was accorded an eco-friendly welcome by **Ms. Alka Singh, Chairperson, GPSC Gurugram Sahodaya**. His contributions towards promoting Computational Thinking and Artificial Intelligence in school education were acknowledged.

3. Lamp Lighting Ceremony

A ceremonial lamp lighting was conducted by the dignitaries, invoking wisdom, positivity, and collective commitment towards educational advancement.

4. Cultural Presentation

Students of Blue Bells Model School presented a vibrant cultural programme, adding warmth and enthusiasm to the gathering.

5. Formal Welcome by the Chairperson

Ms. Alka Singh formally welcomed the distinguished guest and delegates. She reiterated GPSC's commitment to fostering collaboration, innovation, and holistic development among schools.

6. Briefing on GPSC XXIV Annual Convention 2026

The members were briefed about the GPSC XXIV Annual Convention held on 25 April 2026 on the theme **"Chaitanya: The Awakening – Awaken • Act • Transform."**

Key Takeaways:

- Promotion of holistic and conscious learning.
- Importance of emotional well-being and conscious classrooms.
- Integration of values with technology.
- Focus on digital citizenship, skill development, and future-ready leadership.
- Participation and collaboration of over 60 member schools.

7. Session by Mr. Mikin Lala

Mr. Mikin Lala delivered an insightful session on **"Implementation of Computational Thinking and Artificial Intelligence."**

Major Points Discussed:

- Importance of Computational Thinking as a foundational skill for the 21st century.
- Integration of AI and CT into school curricula in alignment with the National Education Policy (NEP) 2020.
- Strategies for developing logical reasoning, problem-solving, creativity, and critical thinking among students.
- Role of educators in creating future-ready learning environments.
- Practical approaches for embedding CT and AI concepts across subjects and grade levels.
- Need for continuous capacity building of teachers to effectively implement emerging technologies in classrooms.

Outcome:

Participants gained valuable insights into curriculum integration, innovative pedagogical practices, and future-oriented educational planning.

8. Vote of Thanks

The meeting concluded with a Vote of Thanks by Ms Neelima, expressing gratitude to:

- Mr. Mikin Lala for his enlightening session.
- Ms. Alka Singh and the GPSC Executive Committee for their leadership.
- All Principals and delegates for their active participation.
- Blue Bells Model School for hosting the meeting.

Resolutions / Action Points

1. Member schools will explore the integration of Computational Thinking and AI practices within their academic framework.
2. Schools will encourage teacher training and professional development in emerging technologies.
3. GPSC will continue to provide collaborative platforms for sharing best practices and innovative educational initiatives.
4. The recommendations and learnings from the GPSC Annual Convention and the session on CT & AI will be disseminated among member schools for implementation.

The meeting ended with a renewed commitment towards collaborative growth, innovation, and future-ready education.
