INSPIRATION

A E
What might be the source of our inspiration,
A
Concepts that appear while in profound contemplation.
D E A
Our mind reaches our spirit while in deep reflection.
B7 E7
Suddenly it seems to make some sort of a connection.

A E
In silent contemplation we sit and meditate.
A
Exploring our thoughts while in that meditative state.
D E A
Down in our heart resides our soul where it rests, and there
B7 E7
evaluating alternatives to see which one's the best.

A E
The soul is not restricted, it’s free of time and space.
A
It can journey to that Realm out there that's filled with God's Grace,
D E A
where it’ll reside after its ascension, but it’s
B7 E7
now making contact with sources in that dimension.

A E
If, and when the soul connects with that beyond,
A
inspiration flourishes now nourished to respond,
D E A
Revealing music, art and new creations
B7 E7 A
Not to mention this is the source of the advancement of our civilization.
