

Dear Parents/Guardian,

We hope all is well. We are happy to share that we have an exciting virtual college night on Monday, November 8, 2021 from 6:30 PM to 7:30 PM. The link to the meeting and pre-registration can be found at the bottom of this document.

Recruiters from Indiana State University, College of Saint Benedict and Saint John's University, Colorado State University and Grand Valley State University will share information on the following topics:

- What colleges look for in an application
- What to prepare for when entering your senior year
- Financial Aid and Scholarships
- Other topics include - Campus life and housing

The webinar will include interactive polls and real time question and answer via the chat box. Although this type of presentation is intended for students in their junior year, we recommend students in grade 9, 10 and 12 also participate. The information provided will be of great benefit when starting the college search.

For more information on college and post secondary planning, please reach out to the R-B Student Services department - Ms. Canavan (last names A-Ki and special education) kcanavan@rbchs.com or Ms. Botts (last names Kj-Z) rbotts@rbchs.com.

Additional information on college planning can be found on the [R-B Student Services Department](#) website.

Sincerely,

The R-B Student Services Department

Here is the Zoom link:

<https://csbsju.zoom.us/j/8310704408>

We would like the students to pre-register, if possible. We will also have the registration link available during the presentation. The registration link can be found here:

https://admissions.csbsju.edu/register/Richmond-Burton_The_View

If it is easier for you to use a QR code for registration purposes, here it is!
