

Student Agreement for Using AI

If I choose to use AI tools for my school work, I agree to the following principles to ensure responsible and ethical use:

1. **Responsible Use:** I will use AI tools responsibly and will not engage in any actions that could cause harm to myself or others.
2. **Support for Learning:** I will use AI to support my learning and will adhere to my school's rules and my teacher's instructions regarding the use of AI in assignments.
3. **Academic Honesty:** I will be transparent about using AI to assist with my assignments, and include citations as required. I will not submit work entirely generated by AI as my own.
4. **Review for Accuracy:** If I use AI, I will carefully review its output for accuracy and correctness, ensuring that the information is reliable and appropriate for my assignment.
5. **Seeking Guidance:** When I am unsure about the acceptable use of AI, I will seek clarification and guidance from my teacher.
