

Global Disability Summit Inclusive Education Thematic Workshop Social Media Toolkit

Overview: All are invited to watch an inclusive education focused thematic workshop in the lead up to the [Global Disability Summit](#) (GDS) 2022. The Inclusive Education Thematic Workshop provides an opportunity for world leaders, policymakers, organizations of persons with disabilities (OPDs), funders, international organizations, civil society organizations, advocates, and other important stakeholders to convene and discuss lessons learned and promising practices. It will also provide a time to highlight stakeholders who have made GDS commitments to inclusive education and hold all stakeholders accountable to ensure that learners with disabilities are fully included in any and all international development efforts going forward.

Please feel free to adapt the suggested social media posts below to suit your messaging.
