RVFB Photo & Video Policy

Rainier Valley Food Bank stands as a trusted community resource, providing food, essential items, and social safety net services to our guests. We pride ourselves on serving our community with dignity, and we ask you to join us in this effort.

Privacy & Guest Experience

Please be mindful that many of the guests visiting our space may already feel vulnerable. While signs throughout our space inform guests that photos may be taken within our facility for RVFB's use, outside individuals and organizations must obtain permission and explain where their likeness may appear before capturing their likeness. Additionally, photos of labeled bags or services that contain guests' personal information will not be permitted.

Sharing Photos

We appreciate your help in capturing the work that takes place at our food bank. If you've taken photos or videos that you would like to share with us, please email media@rvfb.org, or tag us on social media @rainiervalleyfb.

Press, Filming, News Coverage & Other Content Creation

We're always delighted to share the stories that unfold each day at the food bank. We ask that these opportunities be scheduled in advance to ensure our team can create the most welcoming environment for both our guests and your team.
