

It's the County Board of Supervisors (or County Commissioners as they are sometimes called):

1. Look up Ca Gov Code 25201 [Click HERE](#)
 - a. definition of canvass [Click HERE](#). Note: this is the **PUBLIC** process: proprietary machines are not public
2. Look up Ca Election Code 19001 [Click HERE](#)
3. Look up Ca Election Code 319 [Click HERE](#), it says the County Board of Supervisors is the “election board”
4. Listen to this 13 second clip former Shasta County Registrar of Voters CDA: [Click HERE](#)

Sadly our BOS is lacking courage to do their job, they would rather delegate everything to the ROV then utilize their authority. That is why the [citizen initiative for election reform](#) is required.

Let your county supervisors know that you know.
