

Llyan, Lord of the Stormcats

(It's Welsh, pronounced "LEE-ann.")

Concept: *Boastful Stormcat Prince*

Motive: *I must stop the Masters*

Personal: *Self-taught Ancients expert*

Shared: *I must protect my friends*

- +5 Flashy
- +4 Clever
- +4 Quick
- +3 Forceful
- +3 Sneaky
- +2 Careful

Stress: OOO

- **Chosen by the Sword (Enter Conflict; Flashy):** At the beginning of any conflict, as a free action and before anyone else acts, you can attempt to Flashily create an advantage that demonstrates how impressive a fighter you are.
- **The Sword of Storms (Attack; Forceful/Flashy):** You have a magical weapon or minor artifact that can deal damage. Once per scene, when you Forcefully or Flashily attack, you may loudly call out the name of the weapon (Steven), granting you +2.
- **Lightning Strike (Attack with Style; Forceful/Flashy):** Whenever you succeed with style on a Forceful or Flashy attack, you can forgo the boost to move the defender up to two zones away.
- **Super Strong (Overcome; Forceful):** Once per scene, when you attempt to Forcefully overcome a physical obstacle in your path by breaking it, you can outcome surge the result. Whenever you use this stunt, place a *Debris* situation aspect on the scene with no free invoke.
- **Strong Legs (Overcome; Quick):** You have powerful legs that are especially suited for running or jumping. During contests and cliffhangers, +2 when Quickly overcoming physical obstacles or creating advantages.
