Re: CJSA Indoor Commercial Approval – 2026-2027

All CJSA-sanctioned indoor facilities agree to abide by all CJSA Commercial Indoor rules in CJSA Policy Section 14. In addition, the facility will follow the rules below:

- 1) Prepare a document describing the rules and regulations governing the manner in which the competition is conducted, including the competitive level of the teams competing, age divisions, all costs, and awards to be presented to participants. The document must be presented to CJSA as well as all teams invited to compete.
- 2) All referees must be USSF certified.
- 3) Incidents of referee assault and/or violence by players, teams, coaches, and/or spectators must be reported immediately to the CJSA President.
- 4) Only US Youth Soccer affiliated teams may participate. Teams from states other than Connecticut will not be allowed to play without a valid US Youth Soccer permission to travel form approved by their home state and a roster certified by their home state.
- 5) CJSA liability insurance does not apply to Commercial Indoor facilities; the facility owner will provide private liability insurance at their own expense.
- 6) A check for \$500 must be mailed to CJSA along with this completed form. Failure to remit a check along with this form will result in an incomplete application. The facility must make payment.
