

Social Committee 2023 Report

This past year, 2023, has been another great year for the Coconino Master Gardener Association. We had a large crowd and plenty of food at our CMGA appreciation party 09/10/23. A good time was had by all with ? number of attendees.

Amount spent: \$97.00

We ended the year with our annual Holiday bash at Shepherd of the Hills with 44 people attending. We had great food and an entertaining holiday gift exchange as usual. It was wonderful having plenty of volunteers willing to set up for the party and clean-up. Everyone's efforts were much appreciated.

Amount spent: \$64.00

Denbie Nash and Lori Young have graciously taken over the duties of the social committee for 2024 as Mary Gaseau and Elaine Laemmrach step down from this position.
