For California's 6/3 primary election, a few volunteers prepared this cheat sheet to give personal recommendations for new voters who want to prevent the resurrection of SCA 5.

We allow multiple recommended candidates or choices for a same question in some cases.

Reasons will be given for each so readers can make their own final decisions.

State

Position	Recommended Candidates	Reasons
Governor	Neel Kashkari(R). TIM DONNELLY (R).	California needs a governor who understand economy and Mr. Kashkari is the most qualified. He is republican. Good to break supermajority of Dem. party. Mei Mei Huff recommends Kashkari also. Neel 政治投机分子，华人和其他亚裔反对SCA5鏖战正酣之时他一声不吭，现在跳出来打死老虎很卖力.而Tim 是马上反对的。Neel is not a typical Republican. He's socially liberal in most cases. He supports illegal immigrants.
Lieutenant Governor	George Yang(R)	SVCA's recommendation
Secretary of State	Pete Peteson(R)	voter system need a major reform and we need to have a Republican in that office.
Controller	Ashley Swearengin (R)	We need fiscal conservative at our finance department. as Mayor of Fresno, she has first hand experience to deal with city services with a shoe-string budget and apparently our state is in the same situation.
Treasurer	John Chiang (D)	I would like to pick a fiscal conservative, but the rank is really thin and Mr. Chiang is the most qualified as ex-Controller.
Attorney General	John Haggerty(R)	No one can challenge Kamala Harris this time. Just pick a local Republican from Santa Clara.
Insurance Commissioner	Dave Jones (D)	Mr. Jones did a fine job as current commissioner. And there is no qualified competitor

State Board of Equalization

District	Recommended Candidates	Reason
1	George Runner (R)	incumbent, competent
2	Fiona Ma (D)	Better qualification than her competitor
3	Jerome Horton	only one name on the ballot
4	Diane L. Harkey (R)	Assemblywoman Harkey has best qualification in the group.

United States Representative

美国国会众议院议员

District	Recommended Candidates	Reason
15	Hugh Bussell (R)	The only Republican candidate. Send a message to democratic party even though Eric Swalwell has a total upper hand in the election ³ . Otherwise, you can just re-elect Swalwell.
17	Vanila Singh (R)	Asian Women candidate, against SCA-5

Member of the State Assembly

57	Rita Topalian	Based on Mei Mei's recommendation
65	Young Kim	SVCA's recommendation
66	David Hadley	Based on Mei Mei's recommendation
69	Cecilia "Cici" Iglesias	Based on Mei Mei's recommendation

28	Bonnie Garcia	Based on Mei Mei's recommendation
32	Mario Guerra	Based on Mei Mei's recommendation
34	Janet Nguyen	SVCA's recommendation

School

Superintendent of Public Instruction

District	Recommended Candidates	Reason
Superintendent of Public Instruction	Marshall Tuck (run as nonpartisan, but a Democrat)	If you don't like the current California public school system, you don't vote for Torlakson. as founding CEO of the Partnership for Los Angeles Schools,, Mr. Tuck has first hand experience to work with low performance inner city schools. Recommended by Mei Mei also.
	Lydia Gutierrez (R)	She is against the common core http://www.lydia4schools.com/ While many remained silent, Gutierrez spoke up about the inherent dangers in the state's intention to overhaul current standards, emphasizing that the completely untested Common Core State Standards do not reflect an academic bar of excellence, and were created without any evidence-based practice.

Measure AA: No

Measures

State

Prop 41: two different opinions

- Yes. We need to support our veterans. Redirects \$600 million of previously approved, unspent bond funds to construct and rehabilitate housing for California's large population of homeless veterans.
- No: Handing out homes will not address root causes of homeless veterans. Federal level assistance should be explored. Too much burden to taxpayers already. 这是联邦层次的问题, 不应有州来管。州一级加税, 由于政府的腐败, 真正到老兵手的会很少。并且, 如果投yes,会导致全美没有此类政策的州的老兵, 都移到加州。加州付的起吗? 那只能加州再加税。这些房子盖哪里? 如果加州政府决定在每个好学区内建一片廉租房,治安会如何? Howard Jarvis taxpayers association members did the analysis and changed the position to No! Veteran bonds provide low interest mortgage loans to veterans. These bonds are repaid by the veterans themselves. Props 41 bonds will be used to construct low income housing and costs will be paid by state taxpayers. Vote no on props 41.

Prop 42: Yes. Reason: transparency law for local government

County

Alameda: AA, No. measure AA Healthcare Services Sales Tax: renew the same 0.5% sales tax increase until 2034. Sales tax is already too high. We don't want to keep the increase for another 20-year! Also there is **NO annual fiscal oversight and review** for this!

The description of the measure in the ballot is **very misleading**. It is to extend a 0.5% sale tax increase for another 20 years. But the description is carefully engineered to hide this by saying "without increasing the existing half-cent sales and use tax, ... shall the county extend this measure until June 2034 without annual fiscal oversight/review?" Now the measure reads like no tax increase! there is **no accountability**. (See Ordinance, C&D.) And not surprisingly, a huge hunk of the Tax money is given away to the wealthy non-profit hospitals who support these Tax Measures with their large campaign contributions. Children's Hospital alone, recently shelled out over \$2 million in campaign contributions.

Contra Costa: E, NO

reasons <http://tinyurl.com/contracostae>

如果真想支持教育与学校, 直接捐给学校, 还可以省税。and raised funds have been mainly used to raise teacher salaries. Average salary including benefits . not much left for school improvement. if this is approved. for example in milpitas, Average salary including

benefits in Milpitas are \$98,512 Just think about it \$98,512 for working 180 days in a year. And also, recent years, the real estate market has been good. The house price is in rocket high records. The tax based on the high house price will bring the government much more tax income.

San Jose: B, Yes

Continuing Existing, Voter-Approved Funding for San Jose Libraries for the next 25 years.

[http://www.sjpl.org/sites/all/files/userfiles/LPT%20Presentation%20for%20Use%20by%20SJPL%20Staff_FINAL\(1\).pdf](http://www.sjpl.org/sites/all/files/userfiles/LPT%20Presentation%20for%20Use%20by%20SJPL%20Staff_FINAL(1).pdf)

Currently, each family pays about \$29.84 per year for the library. 钱不多, 但能让San Jose的residents继续享受library的服务, 是值得的。

Milpitas Measure C, NO

High Quality Education and Local Control Funding -- Milpitas Unified School District (Parcel Tax - 2/3 Approval Required) Reason: already has Measure E in place. Most of the Measure E and Measure C money has gone to Payroll. We need reassess the budget and make sure the money goes into direct school building and the students.
