Mini-Grant Application 2022-23

Calling All Educators!

The ABC Education Foundation is pleased to announce its 2022-23 school year mini-grants for classrooms. The mini-grants are awarded in 2 categories: Education and Special Mini-Grants. Thanks to community and district support, the Foundation is excited to fund the Education Mini-Grant category at a maximum $2,500 per recipient, and a maximum of $1,000 per recipient in the Special Mini-Grant Category for the 2022-23 school year. **We also have two Education Grant Categories added this year from our Toyota of Cerritos Tundra Grant for up to $10,000 each!**

For 2022-23 Grant Cycle, the ABC Education Foundation will host 2 categories of Arts Grants that meet the requirements and one STEM grant:

- The Sue Rausch Performing Arts Grant: any performing arts project can apply.
- Yes on Measure BB Donation: Donation from Yes on Measure BB will be designated to Art, including visual, performing, and digital (video/media) art.
- Greg Lewis STEM Grant: Donation from former ABCUSD teacher will partially fund an Education Mini-Grant focused on STEM.

Specific information for each type of mini-grant is available on the applications, downloadable at www.abcedfoundation.org
