

Mar 13, 2024

Attendees:

- David Zager (host)
- Gerd Aschemann
- Savitha Raghunathan
- Yash Khare

Agenda

1. [Savitha] [WG Governance](#)
2. [Zager] Progress report on action items
 - a. <https://github.com/konveyor/konveyor.github.io/issues/34>
3. [Zager] What's next?
 - a. Working back from the end goal of automated updates to a versioned docs site...
 - i. We must look at <https://konveyor.github.io/konveyor/>, srgwru98u#rdand how it will be organized by:
 1. Tutorials
 2. How-to guides
 3. Reference
 4. Explanation
 - ii. Organize it
 - iii. Determine from which repository these pages should come
 - iv. *Write an konveyor/enhancement issue* describing a standardized way component repositories will be slurped into the docs site
 1. Then implement it

- [illegible]

Feb 21, 2024 | 📅 Konveyor Docs Kickoff Meeting

Invites: David Zager satyampsoni@gmail.com sraghuna@redhat.com Kunal Verma
pgaikwad@redhat.com Yash Khare David Zager Krish Aryan

Attendees:

- David Zager(host)
- Pranav Gaikwad
- Yash Khare

Agenda

4. What is the purpose of this “working group”?
 - a. <https://konveyor.github.io/>
 - b. <https://konveyor.io/>
 - c. Improve the documentation for the Konveyor project for contributors and users.
 - i. Set guidelines and (maybe automated) processes to keep this documentation up to date.
5. How often will we meet?
 - a. Start every 2-weeks. Then move to monthly.
6. What’s next?
 - a. Work on a definition of “done”. Some ideas include: <https://diataxis.fr/>
 - i. Unified konveyor.io that is versioned

Notes

- Look at <https://nexta.site/>

Action items

- ☐ Work on governance
- ☐ Continue working on definition of done...or at least the high level objectives.
- ☐ Want to identify some actionable items
- ☒ [Zager] Long lived document for meeting notes
- ☐ Consider creating an enhancement for this docs work
