

Dear families,

Haigh is excited to collaborate with Wayne State University to begin our D-SHINES program this spring. D-SHINES will convert part of the large field behind our school into a full garden, complete with massive garden beds, shed, picnic tables and benches for an outdoor classroom. The focus of this program is to promote healthy lifestyle choices, proper nutrition and the importance of physical activity.

Before we begin this program, the D-SHINES program coordinator from WSU would like to collect information from our families to develop a program that is best suited for our students and our families. **The survey takes approximately six minutes. Please take the time to complete this survey** (only one survey per family is needed).

Thanks so much for your help and support as we begin this awesome program!

D-SHINES Haigh Representatives

Courtney Otto and Sara Sarafa (Garden Champions)

Kristy Lozon (Physical Activity Champion)
