

## MERIT Academy

Dear Families,

All of our teachers will be using Schoology this year. This powerful new tool is designed to streamline the classroom experience and enhance the learning process with your students and this year Schoology will work in tandem with Infinite Campus, our Student Information System. *This is information on [how parents can access Infinite Campus information](#).*

*Though Schoology will provide important insight into your student's experience in class, it should be noted that Infinite Campus grades will remain the grade of record for your student at all times. You should still plan to visit Infinite Campus if you wish to see the grade of record for your student's courses.*

To sign up for parent view in Schoology:

1. Go to [www.schoology.com](http://www.schoology.com).
2. Click **Sign Up** at the top of the page and choose **Parent**.
3. Enter your Parent Access Code. This is a 12-digit code in **xxxx-xxxx-xxxx** format that you receive from your child's instructors.
4. Fill out the form with your information.
5. Click **Register** to complete.

When you use a Parent Access Code to create an account, you are automatically associated to your child. You can add additional children to your account using the **Add Child** button.

**Note:**

- If your Parent Access Code does not allow you to register or, if the code does not have 12 digits, please contact our support desk at 956-HELP (4357). **Please note, it may take the help desk up to 72 hours to return account information calls.**
