

What is a School-Family Compact?

A School-Family Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective Compacts:

- Link to goals of the school improvement plan.
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

Parents, students, teachers, and faculty members work together to develop our School-Family Compact. Each school year, at least two meetings are held for parents, teachers, and students to compare the compact with school data to review our progress and assess our goals.

Parents are welcome to provide feedback on the compact at any time during the school year. All feedback will be collected and reviewed during our Title I Stakeholder Input Meetings.

This compact is uniquely developed to meet the needs and goals of our school and students.

Activities to Build Partnerships

- PTO Meetings
- Parent Conference Nights (9/20/2023, 11/9/2023, 2/8/2024)
- Parent partnerships

Tucker, GA 30084

Goals of DeKalb County School District:

Goal Area I:

Student Success with Equity and Access

Improve student's mastery of learning standards

- Improve student's mastery of learning standards
- Provide academically rigorous courses and/or pathways
- Increase graduation rate

At Tucker Middle School, we will provide all students with high quality curriculum and instruction in a supportive and effective learning environment.

Academic Goals of Tucker Middle School

Goal 1: Decrease the percentage of students in grades 6-8 scoring in the low/low average in Reading, Math, and Science on the MAP Assessment.

Goal 2: A 3% increase in the number of students achieving a rating of Developing Learner or higher on the Georgia Milestone EOG Assessment in Reading and Mathematics.

Our school will focus on the following areas:

Focus Area for Reading (Literacy)

**Focus Area for Mathematics
(Mathematics and Science)**

At Tucker Middle School, we will...

- Provide students the opportunity to learn through International Baccalaureate (IB) Program aligned with the Georgia Standards of Excellence.
- Offer workshops focusing on how parents can support literacy and numeracy.
- Provide stakeholders information and opportunities to give input, feedback, and request resources to assist their children at home with MAP and Georgia Milestones Content.
- Improve school safety and promote positive behavior through Positive Behavioral Interventions & Supports (PBIS).

As Tucker Middle School parents, we will...

- Support our children at home as they engage in International Baccalaureate (IB) projects and community service throughout the school year.
- Participate in workshops focusing on how parents can support literacy and numeracy.
- Provide feedback, input and request resources to assist their children at home with MAP and Georgia Milestones Content.
- Support our children at home as they are involved in PBIS.

As Tucker Middle School students we will...

- Fully participate in the International Baccalaureate (IB) Program through projects and community service
- Participate in activities with parents that focus on literacy and numeracy at home.
- Have literacy and numeracy talks with parents to improve skills on MAP and Georgia Milestones Assessments.
- Engage in positive behavior through participation in PBIS.
