

Hello families,

We are excited to introduce some new programming to our students this year. SchoolLinks is a modern, college and career readiness platform to prepare students for what comes after graduation. For middle school students, SchoolLinks helps them begin to discover their interests and strengths, and begin to explore colleges and careers that match those interests and strengths. SchoolLinks at Bend-La Pine Schools is accessible in 6th-12th grades by students and their parents/caregivers.

All of the SchoolLinks features are designed with students in mind to help them become career, college, and life ready. SchoolLinks features are incredibly user-friendly and content can be easily comprehended by middle school students.

Using SchoolLinks, middle school students can:

- Access career interest, strength and mindset surveys
- Explore 2-year and 4-year colleges
- Take virtual reality college campus tours
- Explore traditional, fast-growing, and military career fields
- Start creating digital portfolios / resumes
- Communicate with counselors

Using SchoolLinks, 8th grade students will be able to *really* dive into post-secondary education and exploration by:

- Creating course plans based on career pathways
- Creating digital portfolios / resumes
- Learning about financial aid
- Searching for scholarships
- Begin building their build their Oregon educational plan and profile
