

BAFA Accounting Education Special Interest Group

Presents

Are you finding it difficult to allocate time to writing?

Would you like to submit an abstract to the accounting education conference (deadline 31st March), or need to write up your paper or just need time to write?

We propose an online writing retreat, on 27th March 2024.

Join us for a morning session where the aim is to allow researchers to use dedicated writing time to progress any project in a supportive environment.

Another great chance to catch up with both writing and colleagues in the world of accounting education.

When: Wednesday 27th March 2024, 9.00am – 1.00pm

Where: Online
