

VISAY EDITING PRICES

Skype: proveta97

Payment Method: Paypal only

Clip Requirements

All clips must be **59.94fps** and **Disabled Resample**. I currently am only editing **Trickshots** but won't mind if there are 2 or 3 feeds. I will only edit to songs I like and enjoy as it will be a better outcome of the edit otherwise editing to a song I don't like will result in a poorly done edit.

If you are a good friend or if I know you well I may give an discount or even edit for free :)
