## **Original casting call document:**

Welcome to the amalgamate fanfic reading casting call! We are really excited to have you try out for this project! Before you proceed, please note that there will be spoilers for the whole of Danganronpa V3!!

Swearing will also be involved, so if you're not comfortable with that this might not be your cup of tea.

If you would like to read the story first before auditioning, here is the link to the official fanfiction:

Depending on how many auditions we get, I am hoping to choose both main Voice actors to play the roles and understudies for them, though the latter can't be guaranteed if we don't have enough auditions.

Your audition will be judged based on voice accuracy and the portrayal of emotions, but since this is a very emotional story, emotional portrayal is slightly more important than voice accuracy.

**Rules**

- 1: Please send your auditions by December 15, 11:59 pm PST. You won't be disqualified if you're a few minutes or hours late, as I understand that things sometimes happen
- 2: Please send all your auditions to my email: [mlpfan135@gmail.com](mailto:mlpfan135@gmail.com)
- 3: You are allowed to audition for as many characters as you like, but just beware of spoilers both in the story and the audition lines. You can also get more than one role, so if you decide to try out for both major ones, be prepared for a lot of recording if you get in
- 4: Please say each audition line at least one time, though you may say them more if you wish
- 5: Please record with a quiet background. You don't need a professional microphone for this, just a phone would do, but please avoid touching the microphone while you're talking into it
- 6: Lastly, please label your files as follows: amalgamate\_Character name\_Name you would like to be credited as (for example: amalgamate\_Himiko Yumeno\_Melody Snowflake) and have only one file per character

## Character Description

**Name:** Kaito Momota

**Gender:** Male

**Role:** Major

**Lines for audition:**

Line 1: (Enthusiastic) I'm Kaito Momota, Luminary of the Stars! Even crying children adore the Ultimate Astronaut! How about it!? I'm an astronaut! Isn't that cool!?

Line 2: (Determined while in pain) I can't die like this... Like hell am I gonna...die here... I...I still...haven't gone...t-to space... Damn it...

Line 3: (Angry) Hey! If you keep saying messed up crap like that, I'm gonna kick your ass into orbit!

Line 4: (Sad/Apologetic) Haha...of course... My bad for making you cry like that.

Line 5: (Casual) Yeah, don't rely on that. After all, this Exisal has a voice changer! Ah! 'Cause of that, nobody realizes I'm pretending to be Kokichi! But no more! Sorry for the wait, guys!

**Name:** Kokichi Ouma

**Gender:** Male

**Role:** Major

**Lines for audition:**

Line 1: (Casual) I'm Kokichi Oma, the Ultimate Supreme Leader!

Line 2: (Playful/Mysterious) Nee-heehee... I do lie a lot, and I could be lying right now too... But, I'm pretty sure \*someone's\* panicking right now because of my lie.

Line 3: (Sad/Regret) Everyone...hates me...so the role of villain is perfect for me... Yeah, I know already! It should've been my responsibility!

Line 4: (Upset while in pain) H-How could a game...that you're forced to play...be fun...? I had to think this game was fun to survive... I had to lie to myself!

Line 5: (Snarky) Oh... my god, Miu actually said something smart.

**Name:** Monokuma

**Gender:** Male

**Role:** Minor

**Lines for audition:**

Line 1: (Excited) I am the god of this new world... ...and the headmaster of the Ultimate Academy! The one, the only...Monokuma! Nice to meetcha!

Line 2: (Quietly laughing) Puhuhuhu... Human beings have always been selfish, self-centered creatures.

Line 3: (Evil) You'll remember that despair is the only choice you have. And that hope doesn't exist here at all! Ah-hahahahaha! The killing game will never end!

Line 4: (Nervous) Th-the culprit, you say? Ah, y-yes... Of c-course I know! Whaddaya mean I *don't* know?! Uh, what don't I know, huh?!

Line 5: (Eager) Side? Isn't it obvious? Monokuma joins your party!

**Name:** Maki Harukawa

**Gender:** Female

**Role:** Minor

**Lines for audition:**

Line 1: (Stoic) Maki Harukawa... Ultimate Child Caregiver.

Line 2: (Defensive) Do you want to die?

Line 3: (Sad/Desperate) I've never felt this way before! I've always fought to kill, but...this is the first time I've fought to protect someone! And...I've never... ..been

given a nickname like "Maki Roll" before, either. And I've never... ..met someone as stubborn as you before... And...I've never... ..fallen for someone before. That's why I won't let you kill Kaito! I absolutely won't let you!

Line 4: (Angry/Determined) It doesn't matter how much you get in my way, I will absolutely defeat Kokichi. I won't let despair escape... I won't let it win.

Line 5: (Casual/Encouraging) I'm not trying to sound like Kaito but...I don't think you should carry all the burden alone. You're Shuichi Saihara before you're a detective. Don't ever forget that.

**Name:** Shuichi Saihara

**Gender:** Male

**Role:** Minor

**Lines for audition:**

Line 1: (Uncertain) I'm... Shuichi Saihara. They call me the Ultimate Detective, but...

Line 2: (Wise) Some lies can lead the world to hope... Some truths can lead the world to despair... So I don't think anyone can really say which is more right in the end.

Line 3: (Determined) Don't you see? If hope wins, the killing won't stop! It's \*because\* hope wins that the killing never stops! That's why I'm going to reject that hope.

Line 4: (Sad) Why are you still trying to get me to be brave? Why, Kaede!? Why are you thinking about everyone except yourself!? If you had just been less selfless, you wouldn't have had to murder... Why...? Why do you do that?

Line 5: (Shouting) That's...enough! Enough of your bullshit, Monokuma! I made a promise to Kaito! I will end this killing game! And to give Kaito's death meaning, I swear I \*will\* keep my promise!

**Name:** Tsumugi Shirogane

**Gender:** Female

**Role:** Minor

**Lines for audition:**

Line 1: (Casual) Oh, my name is Tsumugi Shirogane. I'm the Ultimate Cosplayer. Are you... surprised? I get that a lot, since I'm so plain.

Line 2: (Casual) Yeah, I think it's just plain fun to become fictional characters. To become a completely different person and feel like you're part of a different world... Doesn't that sound interesting?

Line 3: (Disbelieve) There's no way Gonta would kill! He won't even kill bugs!

Line 4: (Anger/Desperation/Crazy) So it doesn't matter how much you fight. You can't change the outside world. Cuz the outside world still wants Danganronpa! That won't change! So do you still want to throw your lives away? Even if it changes nothing?

Line 5: (Nervous) W-We were going to work together... We promised to become friends...

**Name:** K1-B0

**Gender:** Male

**Role:** Minor

**Lines for audition:**

Line 1: (Formal) I'm not just any old robot! I am K1-B0, the Ultimate Robot! But please, address me as Keebo!

Line 2: (Offended) Hey, that's robophobic!

Line 3: (Sad) Krgh... I want to cry, but I can't... I should have had Miu install a crying function!

Line 4: (Casual/Encouraging) Right now, there is no use in thinking about whether our lives have meaning or not... Because as long as we're alive, we still have the power to decide that meaning for ourselves... That's what I believe hope is!

Line 5: (Confident) No! My inner voice already told me what to do! I need to remedy this! If that's the voice of the outside world, then the outside world actually wants hope! So I will trust the outside world! I will trust in hope! This is the power of hope!
