

On behalf of Undergraduate Admission at the University of Denver, **I would like to formally invite you and your admitted Early Action and applied Regular Decision students from Denver Public Schools to join us for our [Pathway to Pioneer Visit Program](#).**

We value your partnership and feel it is important for your students and their families to have the opportunity to visit DU and learn about the amazing benefits they receive, both as a member of your program and its partnership with the university.

The visit will offer your students the opportunity to:

- Engage with various on-campus resources
- Meet one-on-one with a financial aid advisor
- Interact with current DU partnership students
- Dine on campus in one of our residence halls
- Participate in a campus tour

We ask that you share this invitation with offices within your program who serve your seniors. Students and counselors attending will need to register individually.
