 - He doesn't have any good leads
 - Liv goes to talk with his ghost Contacts he liberated from the Giovannis
 - Learns that Detective Oak hated Giovannis and didn't appear much in Del Posto until he investigated it after the group killed the Giovanni

Episode 18

- Cas, Lenard, Liv and Marcy
- In the park
 - Oak talking with Lenard figuring stuff out
 - Cas asks Oak directly what he wants from them since he's connected to vampires
 - Oak plays dumb
 - Cas tries to Name Pilfer the name of his boss, but it doesn't work
 - Lenard tries intimidating him, fails
 - Liv sends one of his ghosts to tail Oak
 - Oak leaves, grumbling
- Go to the Empire State Building
 - The Big Apple is rotting
 - The spirit of the Big Apple is sending out a cry that transports them into the Penumbra
 - Cas resists that effect, but seeing that everyone disappears, she rewinds time to warn them
 - Lenard sends Simple Man to check things out, apparently the spirit wants to commune with them
 - Cas notices some unmarked vans filling the area
 - Men exit from them with some weird looking guns
 - Everyone goes back over the line and get sucked into the Penumbra
 - Empire State Building looks like a giant castle
 - The Red Star in the horizon is brighter and closer
- Go into the Empire State Building
 - Single reception line, quite long
 - Various fairies around

- Lenard tries to jump the line on Simple Man, gets accosted by guards in tengu masks. Lenard flares his anima, everyone bows in deference
- Tell people they are in here to see The Big Apple
- Guard opens up an express elevator
- Two buttons - one with big apple sticker, one with a coiled dragon
- Go up to the apple, the elevator moves erratically
 - Cas gets tossed out from the Elevator, reaches a Floor 13 - Forget Me Nots
 - The door closes behind her
 - Liv pries the door open, but the elevator is already moving
 - The Umbra doesn't like being observed
 - Reach Floor 69 - A Day With Your Best Friend
 - Lenard hears Terry, talking about gathering information on Tall Whites
 - Lenard passes some barrier Liv noticed just fine, but Simple Man following just gets turned to ash
 - Liv decides to stay behind, the elevator goes up
 - Floor B-34 - My Own Demons
 - It has some surgical table, medical scrubs and so on
 - Liv gets off, leaving Marcy behind
 - Floor 47 - A Hunter's Past
 - A smell of a home cooked New York meal, it's Marcy's parents' dining room

Episode 19

- Cas, Lenard, Liv and Marcy
- Cas's room
 - A waiting lounge
 - Her Introduction to Religion teacher is there, Francisca Lucky is there, her Circlemates are there but a bit off
 - Waiting for numbers to be called, Cas realises she has a number - S5
 - Gets served immediately in Interrogations
- Marcy's room
 - Her parents, Jasmine and James Barthelo, are drinking celebratory champagne, staff is serving large dinner for them
 - Trees out are in full bloom, which is odd for November
 - The parents are talking about Amazon union being busted, and how they wouldn't be able to afford their next yacht otherwise
 - It's a conversation from a past she witnessed
- Cas's room
 - Cas goes to Interrogation Room
 - Some other room has some electricity guy being BDSM whipped with a rubber whip
 - Interrogation Room - six chairs, a lamp and a table
 - Five women approaching her in a corridor, very similar, five different coloured scarfs - red, blue, yellow, black and white
 - They are here to do a business assessment of her
- Lenard's room
 - Terry is typing rapidly into a computer

- Terry says he used to work in this building, but an old money Australian family took it all from him, ones that are related to aliens
 - Helicopter outside, shining in, Terry drags Lenard to hide
- Liv's room
 - Going into operating room, assistants dress him in medical scrubs
 - George Testa was a made man from Giovanni family, shot in gang violence
 - He looks exactly like Oliver
 - Shot in the lungs
 - He starts operating
- Marcy's room
 - Marcy tells them she is dropping from the Law classes
 - The parents aren't pleased, asking how will she carry the family business
 - Marcy mentions going into Uncle Dyllan's footsteps and going cryptid hunting, like her family has been doing for generations
 - Marcy drops she doesn't like caviar which angers her parents
- Cas's room
 - The women enter the room, giving her a manila folder each, one pretty full (Secrets), one a unit of a chonkasaurus rex (Battles)
 - Go in and sit down, go over the folders
 - The women introduce themselves as The Five Maidens
- Lenard's room
 - Glass explodes inward
 - Two of Lenard's dragonblooded sisters, Grace and Eva, with thick Australian accents speak up
 - They tell him Simple Man is dead and the farm is not real
 - Terry is the reason some information was leaked into the Night Society and that's why Lenard's parents are having so much trouble
 - Lenard reassures them Terry won't leak more information, they don't buy it
- Cas's room
 - Cas uses her Auspicious Prospects of Secrets to know what not to reveal
 - Folders:
 - Battles - Combat Assessment
 - Secrets - Covert Ops
 - Serenity - Personal Expenses
 - Journeys - Travel Expenses
 - Endings - KDA (Kill Death Assists) Ratio
 - This is her first official assessment after the first quarter of working "for the company"
 - They mention her balance is off between her two main folders
 - They mention she misfiled some receipts, for gambling tokens, cigarettes, archeology costume, etc.
 - Cas starts taking notes on top of the folders
- Liv's room
 - Sees every scar he had before Oliver died
 - Liv examines Oliver, figures out how to fix him
 - Liv fixes him up and saves Oliver
 - The thing responsible for his Exaltation is very angry at Liv, and his Spectre Notoriety is reversed

- When he finishes, his scrubs disappear and he's sitting on Floor 101 of the Empire State Building (one floor right below the top)
- The local spirits have powered up his mask - it now lets him to drain Essence from ghosts and spirits, and doubles Essence back for draining people and other things via blood

Episode 20

- Cas, Lenard, Liv and Marcy
- Cas's room
 - Asking about assistants and where is the Main Office, this is just a local branch
 - Cas will need to come in once a month to get things squared up
 - She can set up something at her own place, but will need to convince her handler to do that
 - The Maidens ask Cas about how well she's setting up her Personas
 - Cas gives the clubhouse as a reference for how she's performing
- Marcy's room
 - Marcy uses Memory Reweaving Discipline to change the parents' memory of the scene so they are happy with her. They are now celebrating her decision to go cryptid hunting
 - Marcy leaves and goes into a room where Liv is sitting on a couch
 - Marcy's disguise (shades and beanie) now lets her see Spirits and interact with them as long as she's not attacking them
- Lenard's room
 - His sisters are coming in for an attack
 - Lenard grabs Terry and jumps out the window, then Heavenly Guardian Technique's the ground not to take damage
 - When he lands he is on Floor 101, holding a watery man that doesn't look like Terry. He's The Shape of Water. He leaves
 - Lenard's mask has more power now - can now determine who is a Creature of Darkness (terminator vision), but only in combat
- Cas's room
 - Maidens are asking Cas if she has been protecting her assigned Circle
 - Ask for tips on how to deal with the Circle better, get some documents to review
 - Get some information on how the Circlemates operate
 - Liv's document mentions that he will bring about the end of days, has no soul, etc.
 - The Maidens prepare to leave, they will leave the dossiers at a filing cabinet in their club house
 - Cas appears in Floor 101
 - Now her glasses let her passively detect supernaturals that aren't actively hiding themselves, and get a room-wide ping for noticing supernaturals appearing
- Everyone together
 - A spirit appears, apologising for sending them through the express elevator
 - The leader needed to test their conviction

- The other button would've made them fight dragons in the basement
- Go up, they can see the Big Apple from there
- Simple Man is there, happy to see Lenard. Jumps into his arms
- Feel a presence of a powerful spirit - the city god of New York
- The Big Apple tries mind reading Liv about what they did recently, Liv resists
- Let it know about what they did with Giovannis
- The Apple thanks them for the help, mentions something at the core of the city, a festering infestation. It needs to be stopped before it awakens and consumes all living things
- Another threat comes from those that rule in glass towers, staring down
- It asks them to take care of those corruptions, and in return it will swear his allegiance to them
- It shows them which buildings have problems in the city
- Ask it what's below the ground - it's a festering hive of a single creature feeding upon the living
- It doesn't know its name. It's some kind of hivemind
- Cas tries to Name Pilfer it, succeeds but doesn't know much about it - it's Tzimisce
- Cas asks the Apple about it, it's not pleased about the name, says it's a grand-childe of Caine
- It's really large, covering a few city blocks
- Cas asks Marcy if her uncle could give her a tour of the subway to check it out
- The Big Apple is rotting from the corruption and vices people brought into the city
- The Big Apple opens a portal for them to go back to reality, on the 99th floor

Episode 21

- In the Empire State Building
 - Figure out how to get down
 - Cas and Marcy use the elevator
 - Liv walks down the stairs
 - Lenard starts running down the stairs, hardcore parkour style
 - Lenard has a feeling he passed the same floor over and over
 - Exits on Floor 70
 - Elevator stops on the 70th floor and the doors slowly open
 - Liv slowly walks down, eventually reaches a steel wall on the Floor 70 as multiple steel barriers go down
- Floor 70
 - Empty floor, a figure silhouetted with a moon behind them - it's Francesca
 - She takes a whip out, she's here to deal with Cas, because she's been breaking many laws - she's a Reality Deviant
 - Cas checks her aura, it's a supernatural muted rainbow, with dynamic sparks
 - The steel barriers are covered in some warding glyphs
 - Liv is tired of her, so he opens up a portal to leave
 - Francesca disappears and reappears holding Liv in chokehold

- He just picks her up, walks through leaving Francesca behind
- Francesca tries calling on a walkie talkie. Cas tries shooting it but some reality break dodges
- She calls Operation Deadsouls
- Underworld version of the Empire State Building
 - See a helicopter carrying a freight container
 - The container crashes into the building, seven humanoid figures walk out, red glowing eyes, chainguns for arms, calling them to stop Reality Deviancy - they are Hitmarks!
 - By now Liv's notoriety is back to normal because it was all a ruse by Big Apple
 - Fight!
 - Cas starts her Perfection of the Visionary Warrior, making her go over and over
 - Five more helicopters with freight containers start approaching
 - A wailing tornado of ghosts come in to take down two of them
 - Take down the Hitmarks
 - Hear a sound of a weird thing approaching - a semi truck with tires on fire riding up the building. It backs up to the 70th floor. It's Lenard's sisters here to rescue them
 - The First Beast is there too
 - Everyone gets on and leave
 - They deposit them in a rural area, by a really old mansion
 - The sisters invite them into The Van Zant Estate
 - They are in Genesee County, in Alabama, Western New York

 - Marcy gets sent to buy ammo for the estate
 - Francesca calls Marcy
 - She is taking care of her fish back in their apartment
 - She asks what she was doing with the Circle
 - She apologises for making a scene the other day, but things escalated

- She mentions that Cas is guilty of rewinding time, which is breaking the laws for the Technocracy, etc.
- Francesca is a reality cop / lawyer, joined them around the same time Marcy Exalted
- Now her superiors have decided to do something else so Francesca won't be pursuing them officially, only going after Cas for personal rivalry
- There have been some problems from some newcomers to the Night Society lately
- Francesca warns Marcy not to take the subway since they will be trying to deal with the problem there
- Liv goes to the Van Zant library, it is filled with some really old books
- Learns about the families of the Dragonblooded
- Feels a presence of a ghost - the one that was sent to follow Officer Oak. The ghost is some 50s gangster
- Oak reported to some vampire on one of the top floors of the One World Trade Center, probably is one of their ghouls
- The ghost suggests finding a Dragon Nest in New York to make it easier for the ghosts to do their thing, if he can get it to flow into the Shadowlands, or linking the Dragon Nest with this one. He calls it the Perfect Afterlife Project
- Marcy gets haunted by another ghost
- Marcy uses her empowered glasses to check things out, sees the ghosts
- Her old ghost uses some obscuring powers so it's hard to figure out what they are
- Cas does some research and enjoys her time off
- She's asked to shovel snow, the First Beast follows her all wrapped up
- Cas has been researching High Hole Speech
- The Beast helps her shovel the snow
- It asks what it could help them with, she asks for it to figure out who is after them
- It tried searching the Internet for Technocracy, but couldn't find anything (since it was made by the Technocracy)
- She asks it about what its name is / means, it responds - "Seven Headed Herald That Calls the End of the World of Seven Gods"
- It prefers being called The First Beast or The First Worshipper
- A guy in a nice suit approaches the Van Zant manner, but doesn't disrupt the snow. Cas hides to observe him
- Cas reports it on the shortwave radio

Episode 23

- He gives Cas his phone number
- Lenard and Simple Man shovel snow while singing some tune
 - The blizzard picks up, Lenard's Caste Mark itches
 - Lenard puts on his mask
 - Knives are being thrown all over at him
 - A form next to him starts moving forward, it's a woman
 - He looks unhinged, but familiar
 - The woman smacks Lenard upside the head, it's his mother, Indiana Van Zant
 - The guy's name is Dyllan, here to see his niece
- Go into the house
 - The ghost Marcy couldn't notice before starts freaking out
 - The ghost's features are very similar to her uncle's features...
 - Indiana gets group hugged by her daughters
 - Dyllan is a Creature of Darkness. He explains that the old Dyllan died a few months ago trying to explore the New York subway and deal with whatever was in it. He is a Demon, a Fallen Angel possessing her uncle's corpse
 - The ghost hunting Marcy is her uncle Dyllan
 - The Demon didn't kill her uncle, it just took over the dead body
 - It was still her uncle during the Alumni Week
 - Demon Dyllan met Indiana as she dropped into a hell dimension really roughed up, he took care of her
 - Talk with Lenard about religion, everyone tells him he's not an Angel
 - The Dragonblooded did something a few months ago, when there was the big communication blackout - they broke open The Black Vault. It had consequences - they woke up The Guardian, an old creature that was guarding it - The Zapathasura (Ravnos' alias)
 - Talk about how it took them five days of fighting, a few nukes, an experimental Technocracy weapon, three Demons from Atlantis and a bunch of foot soldiers before that got taken down
 - It's the same thing as the Tzimisce in the sewers
 - Indiana asks them what their plan is, they only have a season before that thing awakens?

- (Indiana is 750 years old)

Episode 24

- Cas, Lenard, Liv and Marcy
- At the Van Zant Estate
 - Ask if they will help them with the big fight
 - The sisters will, the mother is a bit too hurt

 - Lenard mentions stealing the Hilt of the First Sword from the museum, and talks about fighting demons for the lord and all...
 - Liv's parents are disappointed that Liv is lying... about LARPing
- Cas and Marcy
 - Go to talk with Werewolves
 - Marcy notices a weird colony of mushrooms in the park, really large (4 feet tall), and in a shape of a man
 - Go in and investigate
 - They seem to be growing out of Peter Giuseppe, he's drained of blood and the mushrooms are bloody
 - He calls for help
 - Marcy cuts a mushroom away from Peter, it sprays her with caustic acid
- Liv and Lenard
 - Talk about Jotun's order - he ordered 10 people sculptures
 - Liv asks his dad if he has some statues he doesn't need "for LARPing"
 - Christopher leads them into the basement, filled with many weird statues

- Cas and Marcy
 - Marcy is being sprayed with acid
 - Some kind of poison got to Peter, someone set a trap
 - Cas decides to shoot the mushrooms with finger guns
 - Peter drinks up the blood that bleeds from them, asks Cas for some more blood
 - Cas feeds him in an alleyway
 - Talk about vampire stuff. He mentions that Tzimisce is a vampire clan.
- Liv and Lenard
 - Christopher opens a big door, where he keeps the animatronics for “the Avengers of his time” - Teenage Mutant Ninja Turtles
 - There are about 60 TMNT animatronics there
 - Liv asks him to ship it around February
 - Liv checks the area out, notices one of the Alchemical gems is here
 - It was a payment from Jotun, Christopher would know what to do with it when the time was right
 - The gem is actually inert, it doesn’t have an Exaltation in it, but it is made out of Orichalcum!
 - Lenard asks for it, Christopher insists on him taking it, Lenard says he’ll pay him by modelling for his wax sculptures
 - Liv asks what did his parents LARP back in the day
- Cas and Marcy
 - Talk with Peter. He’s clan Gangrel, and it’s the reason why he looks like a raccoon. Tzimisce need to sleep in their homeland soil. Elysium is on New Year’s Eve, 77th floor of The One World Trade Center. Sabbat bombed Del Posto when they killed the Giovanni, so Peter the Anarch joined the Camarilla.
 - Peter mentions he’s going to a party hosted by Prince Olivia Jameson
 - Offers to take them, but they’ll have to pretend to be his Ghouls
 - There is another party taking place in a new building on the ruins of Del Posto. It’s in a big hotel chain - Brightness Landing Hotel
