

Mrs. Klevgaard
Distance Learning
Special Education Dilworth Elementary

I will try to make myself as available as possible during distance learning.

My **office hours** are a time you or your child can contact me, if I am with another family I will get to you as soon as possible.

Your child will receive an email reminding them of their distance learning time. Please have your child check their email to find and accept the invitation to meet with me online. All times have been scheduled with individual students.

If at any time during distance learning you would like a paraprofessional to contact your child, please let me know and I will help make that connection.

Office hours: 8:00 am - 9:00 am and 5:00 pm -6:00 pm
