Dear Betsy, Sebastian, Danielle, and Lucas,

You are in my thoughts. Tony Bruno was always so kind to me throughout my career in Summit. Wonderful remembrances of you and the kids coming to New Providence for the fireworks and riding bikes in the town of Betsy-town.

Love you all,

David and Julie Pease

Danville, KY

I just learned of your passing. Thank you for all the laughs at the Electronic Learning Lab at Jersey City State College.

Sorry for your loss of your husband and friend. Tony was and always be a dear friend and coaching buddy. He always had a smile on his face no matter where he was in school or on the coaching field. He will be missed dearly to the education/coaching field. May he rest in peace and always look upon you each and every day. Peter Kowalsky

There are truly no words that can take away the feelings of sadness and loss at this time. Keep your memory of Anthony alive by remembering and sharing all of the love and kindness he gave to you. My sympathy to the Bruno family.

To the Bruno Family

My husband, Ray McCrann, worked with Tony at Summit High School and while getting his Masters at Jersey City State helped him through a computer class. When my husband passed away in July, Tony wrote me the nicest letter.

My thoughts and prayer go out to all of you. I feel your pain
