

Privacy Policy for Infinity Bulk Image Downloader

Effective Date: August 17, 2026

1. Overview

Your privacy is paramount. Infinity Bulk Image Downloader is designed to operate 100% locally on your browser. We do not collect, store, transmit, or share any personal data, browsing history, or user activity.

2. Data Collection and Usage

Our extension functions purely as a local browser utility.

No Tracking: We do not track the websites you visit or the images you view or download.

No Remote Storage: All image processing, filtering, and ZIP archiving occur directly within your local browser environment.

No Analytics: We do not use any third-party analytics services, telemetry, or tracking scripts.

Local Settings: User preferences, such as default filters or file naming rules, are stored locally in your browser using Chrome's `chrome.storage.local` API and are never transmitted to external servers.

3. Third-Party Services

Infinity Bulk Image Downloader does not integrate with or send any data to external third-party services, APIs, or servers.

4. Permissions Used

activeTab: Used exclusively to inspect and extract image URLs from the web page you actively choose to scan.

downloads: Used solely to save the selected images to your computer's local downloads folder.

storage: Used only to save your extension configuration preferences locally.

offscreen: Used to process image format conversions and ZIP compression locally in the background.

5. Changes to This Policy

We may update this Privacy Policy from time to time. Any updates will be reflected on this page with an updated effective date.

6. Contact Us

If you have any questions or feedback regarding this Privacy Policy, please reach out through our official extension homepage or repository.
