

Are You Ready For A Breakthrough?

BREAKTHROUGH BLUEPRINT™

HEAL . TRANSFORM . CREATE .

Attend a BREAKTHROUGH BLUEPRINT™ Mini-Workshop for Healing and Transformation to Unlock Self-confidence For A Purposeful Life in Friendship with God.

“For every thousand hacking at the branches of evil, there is one striking the root.” — Henry David Thoreau

For years as we’ve struggled to create the life we most desire, and here's why:

We often overlooked 3 critical things:

1. **Heart Healing:** Without identifying and healing the areas of our heart that needed breakthrough, it was difficult to create anything of stability.
2. **Transformation Of The Mind:** Our thoughts really do create our reality and when we can transform our mind we have the power to transform our life.
3. **Creation of a Clear Plan:** Once you have clarity and alignment of your heart and mind, you need a game plan to lead yourself better in order to powerfully create the life you want.

Trying to create anything in life without these 3 things leads to burnout, confusion, and complexity.

You may even find yourself saying:

- “The things I do are never enough”

- "I feel stuck, lost, and alone"
- "Life is just so hard sometimes, I wish I knew a better way"
- "What am I doing wrong? Does God even see me?"

You're not alone, we get it!

The life we wanted included both time freedom and financial freedom so we could enhance our life experiences, especially with our most significant relationships.

However, what we discovered was that we couldn't build it all at once.

We often found ourselves just needing a breakthrough.

Building a successful life is simply a series of small breakthroughs.

And it doesn't require:

- Months or years of therapy.
- Endlessly exploring self-help books.
- Plant medicine or other psychoactive substances.
- Trying harder, being better, or feeling more deserving.

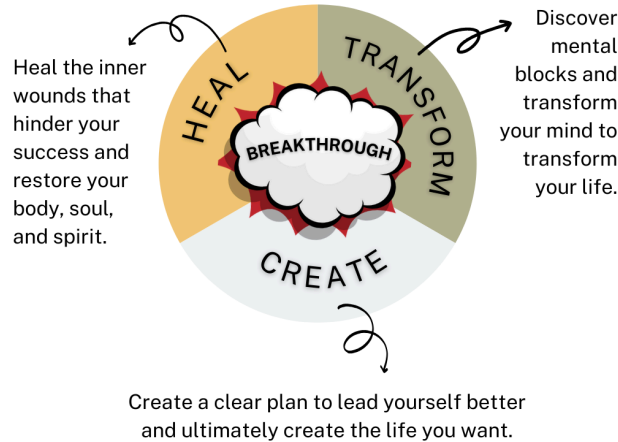

...because who's really got time and energy for all that? Nobody.

That's where the BREAKTHROUGH BLUEPRINT™ comes in.

The **BREAKTHROUGH BLUEPRINT™** was designed to help people like you get unstuck and find true breakthroughs in every step of life. Our unique framework takes you through inner healing and transformation of the mind, allowing you to experience a large amount of change in a short period of time. It's a simple yet powerful process for inner healing and breakthrough that uncovers and addresses root issues that hinder your personal growth and relationship with yourself, God, and others.

Now is your time to break through!

Success doesn't happen without a breakthrough.

And though anything is possible, breakthroughs don't generally just happen by chance. It's best to be intentional about creating favorable circumstances for breakthroughs, rather than remaining a victim to our circumstances.

You can either let life happen to you, or you can position yourself to make life happen for you.

This only happens when you intentionally seek to remove anything that holds you back.

The great news is, you don't have to remain stuck or discouraged in life anymore.
