

Cosmetology

This course is designed to meet the training needs of those students wishing to take the Cosmetology Program and Examination to become a licensed cosmetologist.

Sixteen-hundred (1600) hours are required by the State to develop skills in the following, as well as other areas:

- Chemical Waving & Straightening
- Scalp & Hair Treatments
- Hair Cutting and Shaping
- Facials and Manicuring
- Hairdressing
- Hair Coloring
- Length & Durations

This course is offered at the Shasta School of Cosmetology (SSOC).

High school students of STROP member districts interested in the Cosmetology Program should see their high school Career Center or guidance counselor for specific information on how and when to enroll.
