

Yu Ying Mask Policy: August 29, 2022

Yu Ying's mask policy applies to anyone on campus, regardless of their COVID-19 vaccination status. We are a nurturing and inclusive community. We show respect and care for everyone's mask choice.

Masks Optional	Masks Recommended	Masks Required
- Low DC COVID-19 community level – inside <u>and</u> outside building - Medium DC COVID-19 community level – inside <u>and</u> outside building	For students and staff who are immunocompromised; consult with your physician or pediatrician	- All students and staff when DC is at <u>high</u> COVID-19 community level (inside and outside building) - All student or staff close contacts exposed while at school (inside <u>and</u> outside building; includes test to stay participants) – 10 days after last exposure - All student or staff close contacts exposed outside school (inside <u>and</u> outside building) – 10 days after last exposure - All students or staff who are experiencing COVID-like symptoms <u>or</u> are less than 10 days after testing positive (inside <u>and</u> outside building) – until negative test result (symptoms) or until 10 days is up (positive case) - All students or staff when seeing the school nurse or our COVID PTC – Children's National Hospital requirement - Students when pulled out for small group services or interventions

Check the DC COVID-19 community level here: <https://coronavirus.dc.gov/key-metrics>.

Yu Ying reserves the right to update or change the mask policy based on our school's positive case count and/or community spread.
