

August 2026 District Newsletter

Dear Wittenberg-Birnamwood District Residents,

As we prepare to begin another exciting school year, I'm reminded of the tremendous impact a positive school experience can have on a child's growth, learning, and overall development. Creating a culture where every student feels safe, supported, challenged, and valued remains one of our highest priorities. Together, we strive to provide the kind of educational experience that every parent and community member wants for our children.

As a parent, I want the assurance that our schools are doing everything possible to provide a safe, welcoming, and supportive environment where every child can learn and thrive. I also want to know that students are challenged academically and encouraged to reach their full potential. Every child has unique strengths, interests, and needs, and it is essential that we provide learning opportunities that inspire curiosity, foster independence, and help each student grow with confidence. Beyond the classroom, the wide variety of academic, athletic, artistic, and extracurricular opportunities available to our students enriches their educational experience and creates lasting memories that help them feel connected and inspired.

As a resident and taxpayer, I also value knowing that our district is a responsible steward of the resources entrusted to us. From attracting and supporting outstanding staff to providing safe transportation and maintaining quality facilities and grounds, every investment we make reflects our commitment to serving our students and our community with excellence.

Above all, I hope our students, families, staff, and community members feel proud to be part of the Wittenberg-Birnamwood School District. As I enter my eighteenth year as Superintendent, I remain grateful for the dedication of our exceptional staff, the unwavering support of our families and community, and the many accomplishments and opportunities that define our schools each day.

We look forward to welcoming everyone back for another outstanding school year and to all that we will accomplish together.

Garrett Rogowski
