ABSTRACT

(Hanya dalam bahasa Inggris, Bold, Times New Roman font 12, spasi 1, jumlah kata antara 150-250 kata. Abstrak harus jelas, memberikan gambaran singkat tentang masalah yang diteliti. Abstrak ditulis dalam satu paragraf, hindari referensi dan singkatan yang tidak standar atau tidak umum. Apabila singkatan penting, harus didefinisikan pada penyebutan pertama).

Background: Brief background of the topic and significance of the study. **Objective:** The major aim of the study. **Methods:** Brief summary of study setting and participants; the study design; major methods used to collect and analyze data, including the proper name of instruments used. **Results:** The major findings. **Conclusion:** Conclusions and implications for nursing practice.

Keywords: Jumlah 3-5 kata kunci, dipisahkan menggunakan tanda baca koma (,), diurutkan berdasarkan alfabet, Capital Each Word, Times New Roman 12.

PENDAHULUAN (Times New Roman 12 point, Bold, spasi 1,15)

Bagian latar belakang menjelaskan kondisi terkini dalam subjek tersebut dan mencakup latar belakang yang sesuai, penelitian sebelumnya, dan signifikansi studi untuk menunjukkan kualitas ilmiah atau kebaruan publikasi. Isu-isu terkini dan kesenjangan yang ada disertakan dalam bagian latar belakang. Hindari penggunaan tinjauan pustaka atau ringkasan hasil.

Penulisan menggunakan Times New Roman 12 point (tegak) dengan spasi 1. Spasi masing-masing paragraf before 6pt, justify.

TUJUAN (Times New Roman 12 point, Bold, spasi 1,15)

Tujuan utama penelitian dinyatakan dalam bagian tujuan. Penulisan menggunakan Times New Roman 12 point (tegak) dengan spasi 1. Spasi masing-masing paragraf before 6pt, justify.

METODE (Times New Roman 12 point, Bold, spasi 1,15)

Metode mencakup desain penelitian, lokasi dan waktu penelitian, populasi dan sampel, pengukuran data, dan prosedur analisis data. Mohon sertakan detail yang cukup tentang prosedur yang digunakan, termasuk perilaku etis. Penulisan menggunakan Times New Roman 12 point (tegak) dengan spasi 1. Spasi masing-masing paragraf before 6pt, justify.

HASIL (Times New Roman 12 point, Bold, spasi 1,15)

Temuan utama studi dijelaskan dalam bagian hasil. Bagian ini harus jelas dan ringkas, serta dapat disajikan dalam bentuk teks atau gambar. Mohon berikan konteks untuk data yang ditampilkan dalam tabel atau grafik. Penulisan menggunakan Times New Roman 12 point (tegak) dengan spasi 1. Spasi masing-masing paragraf before 6pt, justify.

Tabel 1. Karakteristik Responden

Variabel	Intervensi	Kontrol
Usia rata-rata	47,2 tahun	48,5 tahun
Laki-laki	58%	60%
Stadium PGK 3-5	64%	62%

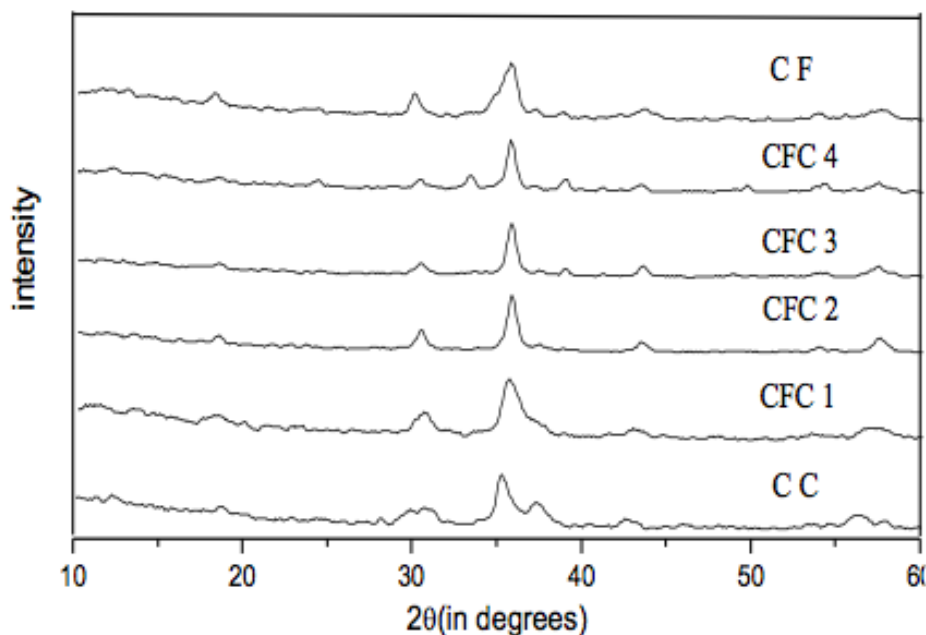

Tabel 1 menunjukkan bahwa usia rata-rata kelompok intervensi adalah 47,2 tahun sedangkan kelompok kontrol adalah 48,5 tahun. Jenis kelamin laki-laki pada kelompok intervensi 58% sedangkan pada kelompok kontrol 60%. Stadium PGK 3-5 kelompok intervensi 64% sedangkan pada kelompok kontrol 62%.

PEMBAHASAN (Times New Roman 12 point, Bold, spasi 1,15)

Diskusi harus berfokus pada signifikansi temuan penelitian. Topik-topik berikut harus dibahas: Apa hubungan antara temuan Anda dan pertanyaan atau tujuan awal yang diberikan di bagian latar belakang (bagaimana)? Apakah Anda memberikan interpretasi ilmiah untuk setiap hasil atau temuan yang Anda sajikan (mengapa)? Apakah temuan Anda sesuai dengan temuan peneliti lain (apa lagi)? Apakah ada perbedaan?. Penulisan menggunakan Times New Roman 12 point (tegak) dengan spasi 1. Spasi masing-masing paragraf before 6pt, justify.

KESIMPULAN (Times New Roman 12 point, Bold, spasi 1,15)

Kesimpulan harus membahas tujuan penelitian. Berikan dasar ilmiah yang jelas untuk penelitian Anda. Penulisan menggunakan Times New Roman 12 point (tegak) dengan spasi 1. Spasi masing-masing paragraf before 6pt, justify.

UCAPAN TERIMA KASIH (Times New Roman 12 point, Bold, spasi 1,15)

Sebutkan secara singkat pihak yang mendanai penelitian dan semua peserta penelitian. Penulisan menggunakan Times New Roman 12 point (tegak) dengan spasi 1. Spasi masing-masing paragraf before 6pt, justify.

REFERENSI (Times New Roman 12 point, Bold, spasi 1,15)

Gunakan gaya APA untuk referensi sumber. Semua sumber yang dikonsultasikan selama penulisan artikel disertakan dalam daftar referensi. Gunakan sebanyak mungkin kutipan terbaru, terutama yang berasal dari tahun penulisan saat ini. Kecuali jika sangat penting untuk penelitian Anda, hapus kutipan literatur yang lebih lama (lebih dari sepuluh tahun). Harus ada minimal 15 kutipan, dan setidaknya 70% di antaranya harus berasal dari karya ilmiah. Penggunaan kutipan sekunder dalam daftar referensi tidak dianjurkan. Silakan gunakan aplikasi pengelola referensi Mendeley, EndNote, atau

ABSTRACT

In English only, Bold, Times New Roman font size 12, single spacing, word count between 150–250 words. The abstract must be clear and provide a brief overview of the research problem. It should be written in a single paragraph, avoiding references and uncommon or non-standard abbreviations. If important abbreviations are used, they must be defined at first mention.

Background: Brief background of the topic and significance of the study. **Objective:** The major aim of the study. **Methods:** Brief summary of study setting and participants; the study design; major methods used to collect and analyze data, including the proper name of instruments used. **Results:** The major findings. **Conclusion:** Conclusions and implications for nursing practice.

Keywords: A total of 3–5 keywords, separated by commas (,), arranged in alphabetical order, Capitalize Each Word, Times New Roman font size 12.

BACKGROUND (Times New Roman 12 point, Bold, line spacing 1.15)

The background section explains the current conditions in the subject area and includes relevant context, previous research, and the significance of the study to demonstrate scientific quality or novelty. Current issues and existing gaps should be included in the background section. Avoid using a literature review or summarizing results.

The text should be written in Times New Roman 12 point (regular) with single line spacing. Each paragraph should have 6 pt spacing before and be justified.

OBJECTIVE (Times New Roman 12 point, Bold, line spacing 1.15)

The main objective of the study is stated in this section. The text should be written in Times New Roman 12 point (regular) with single line spacing. Each paragraph should have 6 pt spacing before and be justified.

METHODS (Times New Roman 12 point, Bold, line spacing 1.15)

The methods section includes the research design, location and time of the study, population and sample, data measurement, and data analysis procedures. Please provide sufficient detail about the procedures used, including ethical considerations. The text should be written in Times New Roman 12 point (regular) with single line spacing. Each paragraph should have 6 pt spacing before and be justified.

RESULTS (Times New Roman 12 point, Bold, line spacing 1.15)

The main findings of the study are described in the results section. This section should be clear and concise, and may be presented in the form of text or figures. Please provide context for the data presented in tables or graphs. The text should be written in Times New Roman 12 point (regular) with single line spacing. Each paragraph should have 6 pt spacing before and be justified.

Tabel 1. Respondent Characteristics

Variable	Intervention	Control
Mean age	47,2 years	48,5 years
Male	58%	60%
CKD stage 3-5	64%	62%

Table 1 shows that the mean age of the intervention group was 47.2 years, while the control group was 48.5 years. The proportion of males in the intervention group was 58%, compared to 60% in the control group. The proportion of participants with Chronic Kidney Disease (CKD) stages 3–5 in the intervention group was 64%, while in the control group it was 62%.

DISCUSSION (Times New Roman 12 point, Bold, line spacing 1.15)

The discussion should focus on the significance of the research findings. The following topics should be addressed: What is the relationship between your findings and the initial questions or objectives presented in the background section (how)? Do you provide a scientific interpretation for each result or finding presented (why)? Are your findings consistent with those of other researchers (what else)? Are there any differences?. The text should be written in Times New Roman 12 point (regular) with single line spacing. Each paragraph should have 6 pt spacing before and be justified.

CONCLUSION (Times New Roman 12 point, Bold, line spacing 1.15)

The conclusion should address the research objectives. Provide a clear scientific basis for your study. The text should be written in Times New Roman 12 point (regular) with single line spacing. Each paragraph should have 6 pt spacing before and be justified.

ACKNOWLEDGMENTS (Times New Roman 12 point, Bold, line spacing 1.15)

Briefly mention the parties who funded the research and all research participants. The text should be written in Times New Roman 12 point (regular) with single line spacing. Each paragraph should have 6 pt spacing before and be justified.

REFERENCES (Times New Roman 12 point, Bold, line spacing 1.15)

Use APA style for citing sources. All sources consulted during the writing of the article must be included in the reference list. Use as many recent citations as possible, especially those from the current year of writing. Unless essential to your research, avoid using older literature (more than ten years old). There must be at least 15 references, and at least 70% of them should come from scholarly works. The use of secondary citations in the reference list is not recommended. Please use reference management applications such as Mendeley, EndNote, or Zotero. The text should be
