 [firstname] one-click scraping is finally real (meet Diggy Miner)
 [firstname] forget phantoms & recipes – scraping just got smarter
 [firstname] turn any website into leads with 1-click AI scraping - just launched
 [firstname] new AI tool lets you mine unlimited data instantly - Just launched

Mail:

Hi {firstname},

Today's a BIG day.

After months of development, testing, and polishing — we're officially launching Diggy Miner AI 

 The world's first AI-powered scraper that lets you grab leads, ecom data, competitor insights, reviews, social media posts, emails, phones — anything... from ANY website you point it to.

No more “phantoms.”
No more “recipes.”
No more broken scripts.

Just one-click scraping that works straight from your browser.

Here's why marketers, agencies & ecom sellers are excited about Diggy Miner AI:

-  Scrape Any Website – No coding, no rules to set up.
-  Unlimited Fresh Leads – Turn the entire web into your lead database.
-  AI-Powered Insights – Chat with your scraped data for instant answers.

- ✓ Export Anywhere – CSV, JSON, XLSX.
- ✓ Works On Dynamic Sites – LinkedIn, X, Amazon, Airbnb, Maps, Shopify, Trustpilot & more.

And because it's launch week — you can grab Diggy Miner All-Inclusive Deal (Pro + Reseller + Elite + Bonuses) for a one-time low price. 🎉

🔥 This launch deal includes \$816+ worth of tools (Engagi Pro, ShopFunnels Pro & more)... for just \$219 one-time.

But hurry — this is a launch-exclusive deal. Once the timer runs out, the price goes recurring.

👉 Get Diggy Miner AI Now [LINK HERE]

Stop wasting hours (and \$\$\$) on clunky scrapers.
Diggy Miner AI makes scraping fast, simple, and unlimited.
