Welcome & Minutes: Mark Johnson, SAC Chair
Mark will share minutes from Dec 2 meeting to be approved at February meeting (along with today's).

Nurse's General Report: Mary Evensen, RN
- Nurse's role: health, wellness, and safety. She attends health department-level meetings. Trying to quarantine the minimum (especially staff) while maintaining health, wellness, and safety.
- Quarantine guidelines have changed this semester: 10 days from time of exposure (down from 14).
    - Option after 5 days to test. Negative test on day 5 means quarantine ends after 7 days.
    - Quarantine means you're well but have been exposed. Isolation means you are sick with symptoms. Isolation requires 10 days from onset of symptoms, no matter what.
- Contact tracing starts with each positive case (sometimes multiple per day). Has become streamlined.
    - Quarantine date is based on the last day you were in contact with someone who tested positive.
    - You are contagious 48 hours before you have symptoms.
    - Sometimes you don't find out until 4-5 days later when school is notified.
- Kids are doing a good job of hand sanitizing and wearing masks. Cooperation has been outstanding.
    - Spread at school is very minimal.
- Vaccine – not a smooth roll-out.
    - Mr. Weaver: plans for Phase 1B including educators now early March.
    - Centura has not been receiving the doses they were expecting.

Registration (Enrollment/Budget/Timelines): Mike Weaver, Principal
- Registration process began last week. Counselors met virtually with 356 families of 8th graders. Another meeting tonight for families at charters and open-enrollment families.
- Projection for 2021-22 school year turned in: 2,396 kids (largest ever). Had to make a tactical move to account for enrollment declines starting in 2022-23 school year (the enrollment bubble peaks now).
- Next Thursday, site-based budget is released based on projection of 2,396 kids.
    - New budget formula has minimal impact because it mostly affects at-risk/need-based categories.
- Will start staffing and building master schedule for next school year after registration is complete.

Principal's Notes (Road to Return): Mike Weaver, Principal
- Last night the DCSD Board of Education voted to remain remote until Feb. 8 (hybrid return).
    - Decision based on health & safety in combination with educational opportunities for kids.
    - Mr. Weaver also concerned about the relational piece (3rd silo) which is missing in remote.
    - Board had questions about the logistics/execution of synchronous hybrid learning model.
    - Hope is to return to full in-person as soon as possible.
- Vista was ready for kids in the building (hybrid) next Monday, Jan. 25.

- Improved hybrid model to teach some classes fully synchronous (i.e., math) and some classes with check-ins on at-home days (i.e., ceramics which is hands-on).
- We know what doesn't work from prior experience with hybrid learning.

SAC Feedback/Survey Review (Push to next month)

DAC Meeting *Kelly Pointer will forward notes from the Jan. 12 meeting*
- Special DAC meeting (talk about UIP) Tues Jan. 26 at 6:30pm

Open Forum & Suggestion for Future SAC topics
- Next meeting (Wed. 2/17)
  - 8am start time going forward while we are meeting virtually
  - Kim Cox (literacy) will present new novels for SAC approval
  - Budget info – SAC will vote to accept
- Question about graduation competencies
  - Were supposed to change this year
  - Mr. Weaver believes it will be postponed 1 more year
