

Privacy Policy for Calcify Pro

Effective Date: January 8, 2026

This Privacy Policy governs the manner in which Calcify Pro ("the App"), a utility application providing financial, health, and daily-use calculation features, handles information when you use it. Your privacy is critically important to us.-----1. Non-Collection of Personal Information

Calcify Pro is designed to be fully functional without collecting, storing, or requiring any Personally Identifiable Information (PII) from its users.

The App does **not** require or collect:

- User registration or accounts.
- Login credentials.
- Personal profiles.

All calculation inputs and data provided by users are processed **exclusively on your device**. This data is **not transmitted to any server** owned or controlled by the developer.2. Third-Party Advertising and Data

The App may display advertisements to support its free operation. We utilize **third-party advertising services**, such as **Google AdMob**, to facilitate this.

These third-party ad providers may automatically collect certain **limited, non-personal data** from your device in accordance with their own privacy policies. This non-personal data may include:

- Device type and operating system information.
- Advertising ID.
- App interaction and usage data (related to ad display).
- Approximate geographical location (country-level only).

Important Note: The collection and processing of this data are governed **directly by the ad provider**. We do not have access to, control over, or ownership of this data. We encourage you to review the Google AdMob Privacy Policy for more details: [Google Privacy Policy](#)3. Internet and Data StorageInternet Usage

The App requires internet access **only** for:

- Loading and displaying advertisements.
- Basic app analytics (related to stability and performance, if enabled by third-party SDKs).

All core calculator functionality is available and remains operational **without an internet connection**.Data Storage

- Calcify Pro does **not store any user-generated data on external servers**.
- Any temporary values, preferences, or settings (if applicable) are stored **locally on your device**.
- No user data is shared with the developer.

4. Permissions

The App requests only the minimal permissions necessary for proper functioning:

- **Internet access** (required for displaying advertisements).

The App does **not** request or access sensitive information such as:

- Contacts
- Camera
- Microphone
- Precise Location
- Files or media
- SMS or call logs

5. Children's Privacy

Calcify Pro is not directed at children under the age of 13, and we do not knowingly collect any personal data from them. If a parent or guardian believes that a child has provided us with personal information, please contact us immediately, and we will take appropriate action to remove such information.

6. Changes to This Privacy Policy

This Privacy Policy may be updated periodically to reflect changes in our practices, App updates, policy requirements, or legal obligations. Any changes will be posted on this page with a revised "Effective Date."

7. Contact Information

If you have any questions, concerns, or feedback regarding this Privacy Policy or the App, please contact us at:

Email: esatyatej1@gmail.com

Compliance Statement

This Privacy Policy is structured to comply with relevant platform rules, including the Google Play Developer Program Policies, and general data protection and user transparency requirements.
