

## Scars

My scars,  
The only reassurance I'm alive  
I feel dead  
No reason to be,  
But, I am  
Alive that is  
For the reason,  
I know not  
But to be free,  
Which I am not.  
I am confined,  
Restricted by rules.  
Set me free  
For I need to be me.
