Placement 1: Garden Art Project

Description: Turn our flower box into an original work of art! The flower box is about 3 feet square with a roof that resembles a wishing well. We are interested in having it painted with an original design that includes sunflowers in the theme. Get to know the gardeners during our Thursday Garden Club meetings and then design and paint on-site at hours of your own choosing. BloomMKE will provide paint and painting supplies.

Location: Riverview Community Garden, 1300 E. Kane Place, Milwaukee, WI 53202

Type: In-person, outdoor with a few hours of studio work to design the artwork

Schedule: Attend Garden Club meetings on Thursdays from 1-2pm, rest of time is flexible

Number of students: 1

Placement 2: General Garden Clean-up

Location: Enjoy some fresh air in beautiful community garden settings while helping with Fall clean-up. The work primarily consists of cutting down vegetable plants that are finished for the year, as well as some light weeding and other garden work. This placement will be mostly at Cherry Street Community Garden, with a few days at Riverview and Convent Hill Community Gardens. We can carpool from MIAD as needed. Garden addresses are:

- Cherry Street Community Garden, 1431 N. 23rd Street, Milwaukee, WI 53205
- Riverview Community Garden, 1300 E. Kane Place, Milwaukee, WI 53202
- Convent Hill Community Garden, 3145 N. Jefferson Street, Milwaukee, WI 53202

Schedule: Flexible, typically mornings

Type: In-person, outdoor

Number of students: Up to 3
