

# ECHS General Scholarships 2024 - 2025

Hello Seniors and Parents,

As we navigate the college landscape, and our students' post-grad plan, ECHS students can use scholarships to offset the increasing cost of higher education.

There are plenty of scholarship websites (see list below) that students can take advantage of. It does take time, it is competitive, and students can be discouraged, but we encourage students to continue to keep working on them with the hope of a pay off.

## College Scholarships

### **Going Merry**
