

# CREATE A NODE

## Host a Global Peace Activation in Your Community

A node is simply a local gathering that forms part of the **Global Peace Activation** on **8 August 2026**.

Whether you gather **5 people or 500**, your node becomes part of a worldwide movement activating peace across the planet.

There is no right or wrong way to host a node. We encourage you to create an experience that reflects your community, culture and gifts.

**One Planet. One People. One Heart.**

## STEP 1 – CHOOSE YOUR GATHERING

Your node can be:

- A meditation
- A community gathering
- A ceremony
- A shared meal
- A yoga class
- A music event
- A peace walk
- A workshop
- A festival
- An online gathering

Keep it simple.

## STEP 2 – CHOOSE A VENUE

Almost anywhere can become a node.

Ideas include:

- Your home
- A park
- A beach
- A yoga studio
- A community hall

- A school
- A church or place of worship
- A retreat centre
- A workplace
- A café
- Online

## **STEP 3 – CREATE YOUR EVENT**

If your gathering is open to the public, create your own event page using:

- Humanitix
- Eventbrite
- Facebook Events
- Your own website

We've included a ready-made event description template in the Resource Hub—simply copy, paste and personalise it.

## **STEP 4 – INVITE YOUR COMMUNITY**

Share your event through:

- Social media
- Email
- WhatsApp
- Friends and family
- Local community groups

Use the promotional resources from the Resource Hub to help spread the word. Share about the INTRUTH Research Initiative.

## **STEP 5 – BEGIN WITH THE SHARED OPENING**

To bring every node into shared intention and connection, we invite each participant and Event to begin with the Shared opening. The Prayer and mantra gifted to us by the Mentors of Love and Wisdom. This can be found in the resources folder.

You are also encouraged to begin working with the mantra and prayer daily in the lead up to 8 August and to invite your community to do the same.

## **STEP 6 – JOIN THE GLOBAL ACTIVATION & THE INTRUTH RESEARCH INITIATIVE**

On the day, begin with the shared Global Peace Activation opening before continuing with your own local event.

You can include as much or as little of the shared program as suits your gathering.

## **STEP 7 – CAPTURE THE MOMENT**

We'd love to see your node!

Please upload:

- Photos
- Short videos
- Group photo
- A short message from your community

Upload instructions can be found in the Resource Hub.

Thank you for your service.
