As a Frontend Developer, I am a highly motivated and dedicated individual with a passion for creating visually appealing and user-friendly websites. I am currently seeking an opportunity where I can expand my skills and gain hands-on experience in the field. I possess a strong understanding of frontend development technologies such as HTML, CSS, and JavaScript, as well as experience using popular frameworks such as React.js. I am a quick learner and am always looking for ways to improve my skills and stay up-to-date with the latest industry trends. My goal is to become a valuable asset to any team and make meaningful contributions to the development process.

SKILLS

Programming Languages: JavaScript(ES6+), Typescript
