

Parental Request/Permission to Have Medications Administered in School

NONPRESCRIPTION MEDICATIONS LETTER TO PARENTS

School nurses can now give nonprescription medications with parental permission. The following guidelines need to be followed:

1. The school nurse must assess the child's complaint and symptoms to determine if other measures can be used before medication is given.
2. The school nurse must be notified of any allergies, especially to medication, that your child has.
3. All medications sent to school must be in the original container. (This is the law).
4. A record of the medication given will be kept by the school nurse.
5. Nurses must use restraint at all times in the use of nonprescription medicines.

Please contact the school nurse, Mrs. O'Brien at (302) 284-5810, ext. 304 if you have any questions.

I have read the above and request Mrs. O'Brien to give _____
Name of Nonprescription Drug

to _____ starting/ending _____

List known allergies to medicine: _____

Signature of Parent/Guardian

Date
