June 2018

Dear Parent/Guardian of Current 9th and 10th Grade Students:

RE: PSAT/NMSQT TEST – SATURDAY, OCTOBER 13, 2018

The PSAT REGISTRATION WINDOW is opened to all students who will be in grades 10 and 11 during the upcoming 2018/19 school year (and who are now currently in the 9th and 10th grades).

The Waldwick High School Guidance Department advises that all juniors should take the PSAT/Preliminary SAT Test which is held in October each year, and highly recommends all sophomores to take this test as well. This test serves as a practice SAT for 10th grade students. For the 11th grade student, taking this test will qualify them for the National Merit Scholarship Corporation (NMSC) scholarship programs.

We implement the PSAT registration early because we have to meet very specific deadline dates in order to secure enough test materials for the October test. We have to be very precise with the ordering of these materials, as we will be charged a fee for any overages and/or insufficient orders placed. Most of the ordering has to take place prior to the summer break, so that is why we have a June 22nd registration window for an October administration of the PSAT.
